Experience

Designer, 2007 – Present

Y Marketing and ITO Design, Somerville, NJ

Full service design consisting of Web Production, Corporate Identity, and Email Blasts. Enriched personal experience, from broadening my web design and production knowledge to fostering open and effective communication with clientele.

Freelance Design, 2009

American Backflow Testing, Clermont, FL

Designed small website for a backflow testing company located in Central Florida.

Freelance Design, 2009

Christina Signorile and the Fever

Designed website, CD insert and label, Banners and Ads for an upcoming musical artist.

Senior Designer, 2006 – 2007

RCM Communications, Branchburg, NJ

Prepared files and designs for large format production.

Gained a vast knowledge of the large format printing end of the graphic design industry.

Concept Design, 2006

Alpharma Branded Products, Piscataway, NJ

Designed various concepts for upcoming new product launch.

Design Assistant, 2006

The Gallery 2006, Rowan University

Collaborated on web design and layout design of annual student publication.

Freelance Design, 2005

Integrity Financial Partners, LLC, Woodbridge, NJ

Designed corporate logo and user guide.
